FITLY CELEBRATE TRAVELERS' DAY. Patriotism. Originality, Fair Womes and the Sword of Andrew Jackson -A Hint of Future Greatness

for Mayor Harrison.

WORLD'S FAIR GROUNDS, CHICAGO, uly 27.-There was an abundance of izsm, American patriotism and originality in the welcoming exercises and in Festival hall for the commercial traveling men of the United States who are organized as the Columbian Associated Travelers. Nearly 3,000 of of them, including the women and girls who came along, filled the simi-circular auditorium and let loose their exhuberant feelings with no uncertain sound all in honor of the Travelers

The first act was the entrance int The first act was the entrance into the hall, down the main aisle, of the Second Regiment band, Wisconsin national guard, of Oshkosh, playing a lively air and followed by the Wisconsin traveling men, who have come to Chicago 300 strong. The band mounted the platform and joined the select circle of traveling men who are officers or prominent members of the association, their wives and members of the Hermitage association. In the center sat the president of the association, Andrew Jackson Dowd, of Iowa. Andrew Jackson Dowd, of Iowa. It was peculiarly appropriate that s

man with such given names should be honored by the president of the Ladles' Hermitage National association of Nashville, Tenn., with the temporary possession of the sword of Andrew fackson. The Hermitage president, in ew complimentary remarks, presente the precious sheathed sword to President Dowd, to be worn temporarily by some temporary officer of the travel-

ers.

Mr. Dowd said he was speechless on
the occasion, so he saked Col. L. G.
Young, of Springfield, Mass., to reroung, of springhest, mass, or respond. The colonel having been if fighter for the Union, knew how to talk about old Hickory, and aroused his andience to a pitch of enthusiasm unequaled in the history of the exposithe distribution. The colonel drew the sword of Andrew Jackson in a spirit of putriotic fervor and brandished it above his head in honor of the hero of New Orleans.

The California delegation arrived and extended an invitation from the Cali-fornia commissioners to the traveling nen to visit the building. A message men to visit the building. A message of welcome and greeting was received from the German commercial travelers in the language of their country. I'resident Dowd would not read the

President Dowd wentt not read the nessage from across the sea, but he amounced it was a greeting of wel-tome and congratulation, although he and not speak German.

The arrival of Mayor Harrison of Chicago was greeted with an outburst

of cheers.

An invitation was accepted from the coffee production of that country.

coffee production of that country.

A telegraphic message was received from the Commercial Traveling Men of California extending congratulations. When Mayor Harrison was introduced as the "Popular Mayor of Chicago," he was received with cheers. An enthusiastic admirer shouted "The next senator." His honor smiled and winked his eye but said nothing. Mr. Harrison said that the money ex-

mrison said that the thoughts pended on the fair had gone forever from the pockets of the exposition people but they did not repine.

"The Star Spangled Banner" was played by the Cincinnati band amid renewed enthrusiasm and the Commercial that the phenium at every sten. nen then cheering at every step

building. Chairman Penn, of Louisiana, welcharman Fenn, or Boulsands, we-comed the travelers to the Commission hall in a few words, and Commissioner Bullene, of Kansas City, delivered an addross which sparkled all through with wittleisms to the great delight of the travelers. President Dowd of th Travelers' association then made few remarks, being followed by A. H. Whitehouse, of Sydney, N. S. W., and Alfred P. Allen, of London. England. The speech-making was closed by Maj. P. J. Pangborn, president of the Amer-ican Exhibitors' association.

The remainder of the day's enterainment of the commer deted of a reception and concert by the lows state band in the headquar ters of the American Exhibitors' asse ciation at the Terminal station, and an on the route of the parade, the day closing with a special pyrotochnic dis

SWIFT PUNISHMENT

Follows an Inexcusable Crime—A Cold-Blooded Murderer Lynched. DENVER, Col., July 28.—Last night Daniel Arata, proprietor of Hotel d'Itala, a tough resort under the Sixd'Itala, a tough resort under the Six-teenth-street viaduct, killed Benjamin Lightfoot, 60 years old, a member of the G. A. R., over the price of a glass of beer. To-night Arata was taken from the county jail by a mob led by Lightfoot's son, strung up to a tree and his body filled with bullets. The crime was inexcusable, the punishment

THE BEHRING SEA SQUADRON.

Operations of the Vessels Up to the Latter Part of Jane. Washington, July 27.—At last the navy department has received an ac-

count of the operations of the Behring sea squadron up to the latter part of June. The mail has brought a repor from Capt. Ludlow, who is in com mand of the entire squadron, and the news contained in the report touching the disposition of the sealers to observe the modus vivendi is gratifying

to the officials.
Capt. Ludlow's report is dated at
Humboldt harbor, Papoff Island, June
7. It states that the flag-ship Mohican sailed from Sitka June 19 and at rived at Kadiak on the 28d. Here communication was had with the depnty collector and two schooners wer boarded and warned. Arriving t Humboldt Harbor June 25, the Alb trass and Ranger were found in port The Rush came in a few hours later The Albatross and Rush had searched all of the harbors and carried out of

stop to illegal hunting of seal by white nen, and the Albatross was ordered to the Bay of Waterfalls, Adokah islands where there was to be a rendezvous of sealers in July, and then proceed to the Seal islands, land her party of civilians and turn her attention to the rotection of seal life.

The Ranger was to search and war

schooners on the Slime and Buird banks and reach Aggattu island, July 15, when there was to be another ren dezvous of scalers. Later she was t ook south and southeast of the island The Mohican spoke the British man of-war Garnet and exchanged cour tesies. The Mohican was to let ve June 28 for Dutch harbor on a genera

The report states that almost ever sealing vessel known to be on the American side was warned by the squadron. The two British ships, the Garnet and Nymph, were also active in patriotic work, boarding and warning seventeen sealers, two of which were American. Up to the time of were American. Up to the time of Capt. Ludlow's writing the Rush had boarded nine British and two American ships; the Mohican, Capt. Ludlow's flag-ship, six British and eight American vessels. Capt. Cooper of the Rush reported seven American and two British vessels had taken up to June 14, the British 2,216, and the American 2,304 skins. The slight discrepancies in the figures is regarded as probably due to the difficulties in the way of securing exact data.

curing exact data.

The British scalers, he says, are ander orders from their owners not to violate American laws in the transviolate American laws in the transshipment of skins or to enter the prohibited waters of Behring sea. The
health of the squadron, he reports in
conclusion, is excellent. Capt. Ludlow states that 294 vessels were boarded
and inspected by British and American
men-of-war. Of these twenty-two
were boarded by the American fleet
and the remainder by ships of the
British squadron. The total number
of sealskins found on board of these
vessels was 16,244, the catches varying
from 224 on some, as high as 1,600 on from 224 on some, as high as 1,800 on others. The number however, was be-tween 500 and 800.

Bank Officials Arrested. DENVER, Col., July 27.—President M. J. Lawrence and Cashier C. T. Schrader, of the People's savings bank, were arrested, yesterday afternoen, on warrants sworn out by a depositor charging grand larceny in connection with the failure of the savings bank, by receiving a deposit within thirty days previous to the time of failure with knowledge of the bank's insolv-

The Chicksow Guards Ordered Out. Мвирнів, Тепп., July 27.—Gov. Tur-ney has ordered out the Chickasaw guards, and has ordered other compa-nies to hold themselves in readiness to protect the jail in which are confined the men arrested and charged with leading the mob that lynched the negro rapist, Lee Walker. This action was caused by threats of friends of

A Quiet Day in the Ransas Coal Fields KANSAS CITY, Mo., July 27.—There were no disturbances yesterday at Weir City, Pittsburgh or Litchfield. The negroes brought from Alabama have not been molested, and the strike leaders say they will not be. The strikers claim to have assurances from a large number of negroes that they will leave the mines as soon as there is any prospect of getting home.

Suspected Embessiers Arrested TORONTO, Ont., July 27.—R. B. Nemitz and his two sons aged 12 and 14, of Genoa, Switzerland, who left Chicago ome days ago and were suspected of mbezzling \$30,000 from Swissexhibitors inspection of American exhibits in the embezzling\$30,000 from Swissexhibitors different buildings which were visited at the World's fair, have been arrested at the World's fair, have been arrested at the World's fair, have been arrested at the World's fair, found in the same of the content here. flighest of all in Leavening Power.—Latest U.S. Gov't Report. ABSOLUTELY PURE

AN EXCITING DAY

Wall Street Turned Topsy Ture:

in a Panio BY AN APPALLING DECLINE IN PRICES.

ing Shares and Bonds Depressed to an Acute Stage-List of Exceptional Breaks.

> New York, July 26.—This has be the most eventful and exciting day for a long time past in Wall street and financial circles generally. The transactions were on a more extensive scale than at any previous time since the present downward movement set in, and the result was a decline of sim-

had been placed in the hands of a receiver was a shock to confidence and started an indiscriminate selling move-ment through the list. Orders were received from various quarters to sell and many brokers who could not reach their customers in time threw stock overboard rather than take any fur-ther chances under the circumstances.

The great break in prices, however, occurred when the announcement that H. I. Nicholas & Co. had failed was made ut the stock exchange. This brought the critical situation of affairs right home to the brokers, and it was not long before the market drifted into a panicky condition.

The excitement was not so great as

in either the 1884 or 1878 panic, but the nn either the 1885 of 185 gainle, out the shrinkage in values was very rapid, and sales had to be made at practi-cally any price that happened to be bid. The failure of Nicholas & Co., fol-lowed up, as it was, by the suspension of John B. Dumont, showed plainly

of John B. Dumont, showed plainly that the banks were calling in loans, and this knowledge made the street nervous. The rate for money jumped up to 3-16 per diem and interest, and closed at 20 per cent. per annum. The sales for the day reached the large total of 448,406 shares.

Dividend-paying shares and bonds and the nondividend myers suffered

and the nondividend payers suffered alike and the depression resolved an acute stage. The exceptional break in Evansville & Terre Haute from 127 to 70 was due to the fact that H. I. Nicholas was a director of the company, and that however of considerable amounts of the company of the compan had borrowed considerable amounts of noney on the stock. The other big declines were Manhattan, 120 to par; Delnware & Hudson, 114 to 103½; Og-den Navigation, 110 to 44; Lackawana, 8½ to 40, Electric, 7½ to 40½; Jersey Central, 9 to 84; Luke Erie & Western, preferred, 7 to 58; Pulmau, 6% to 146%; Western Union, 7% to 67%; Wheeling & Lake Erie, preferred, 7 to 84; Gas, 6 to 110; American Cotton

oil, preferred, 6 to 50; Erie, preferred, 5 to 50; Sugar, 5 to 65, and Missouri Pacific 4½ to 16½.

Although final quotations showed a recovery of one-half to 2 per cent. from the lowest, the narket left off feverish and the feeling in stock circles was unand the feeling in stock circles was un

A DOUBLE TRAGEDY.

UNDERMINES HER MENTAL BALANCI

and, Fearing the Child Will Die, She Cuts Its Throat and Her Own from Ear to Ear and Both Perish.

BUFFALO, N. Y., July 27.—A double tragedy took place in Clarence Centre, this county, between 3 and 4 o'clock yesterday morning. Mrs. Henry May-back, 27 years old, cut her throat with her husband's razor, and cut the throat

of her 7-months-old baby.

Mayback is a harness maker with a good business and considerable property. His wife was a handsome womerty. His wife was a handsome wom-an, accomplished and a general favor-ite in the village. They had two children, a girl 3 years old and the baby. For several days the baby had been teething and in poor health, and the mother had been greatly concerned for it.

afterwards Mayback fell asleep again, supposing his wife was sleeping also About an hour later he was awakened by groans and sprang out of bed just in time to see his wife running out of the door into the street with blood gushing from a gash in her throat. Looking for the baby he found it in the carriage with its throat cut from

ear to ear.

He followed his wife into the street, where he found her with the razor still in her hand, but so weak from loss o in her hand, but so weak from loss o blood that she was beyond recovery She died an hour later. The baby wa also dead. The woman left a not saying she feared her baby was goin to die, and that she could not bear t live without it, and asking that all be property be given to her little 3-year old daughter.

A TREMENDOUS EXPLOSION. otion of the Chinese Powder Mas

New York, July 27.—The Sun publishes a special from San Francisco giving the following details of the vder magazine explosion at Canton n July 2: About 5 o'clock in the afternoon the

inhabitants of the San Ainli district, in which the magazine stands, were startled by a tremendous explosion. which was heard over a large area and was followed by an enormous volume of smoke, quite darkening the sky Very quickly it was known far and wide that a terrible calamity ind occurred, and although the extent of has not yet been ascertained, it is feared that the loss is very serious.

is approximated at 400 and, nithough no idea has been formed of the loss of life, it must be considerable.

The catastrophe originated from a cookhouse near the magazine, which caught fire and rapidly spread to the owder house.
On hearing the explosion the inon nearing the explosion the in-habitants rushed out in great alarm, and further proclaimed the disaster by the beating of gongs and urging the villagers to run into the fields for their

lives.

The mandarius were quickly informed and troops were sent for. A number of Chinese doctors and one uropean were speedily on the seens the explosion, rendering assistance

A Mysterious Case of Polsoning LOUISVILLE, Ky., July 26.—A mys-terious case of poisoning occurred in the neighborhood of Hancock and Green streets this morning. As a re-Green streets this morning. As a re-sult twenty-seven people have been taken violently ill, three of whom are now in a very serious condition. All who were taken ill drank milk from the dairy of Frank Moser, at Hancock and Green streets. Sickness began with violent purging and vomiting, and is proving more serious to the and is proving more serious to the older victims than to the condron war, drank of the milk. Ex-Detective Carter Tilley, Mrs. Theresa Loog and Mrs. John Rapp, all of whom are old people, are in a critical condition, and fears are expressed that they will not recover. red at the Fast Office at Dec. THURSDAY EVE., JULY 27, 1898. lemend for further proof may be for the string up by the gills to prove who shot hms. This request might be made with a great degree of consistency, as everyhody

is supposed to be in the Union now and the appointment of commissioners to go inside the lines to take teclimony would In the special election in the eighth

nal district in Ponnsylvania, seld a few days ago, to choose a seco to Congramman Mutchier (Dem.), de-coased, the Democratic majority of 1892 was out down from over 5,000 to 2,000-a loss of 8,000. At the same ratio for each

that to the best of my ability I will endeavor to co-operate with those who, regardless of party have in view tills best interests of the common people of the land." This was probably intended to be profound and else catching, but the trouble is that Mr. Steventon never has, for never will be fortunate enough to be on the side of the common people except with his mouth when he is after votes. The ends he has invariably been on as the side that means less work and less pay for the common people.

The downight folly of running on make recently indulged in by our people to their own injury, as well as that of the anks and the business community, must neer or later impress their upon the sooner or later impress itself upon the few preliminary touches to its public. Every dollar in a bank is a good dollar, performed by the mother, dollar and is not in danger of depreciation they marched out again totollar and to not in danger of deprecianou, and there are as many deliars in the bank as there were a year ago when there was no apprehension. The run on banks is part of the present trouble which there is no excuse for from any point of view, and is due largely to the senseless cry of a lot of our people, that our present trouble is due entirely to the present trouble is due entirely to the large our present trouble is due entirely to the large our that was started by silver law-s ory that was started by President Cleveland himself and a lot of other people who are trying to hide their their own quarters in just the same way that they had entered, except that on that the silver law is stonning our factothat the silver law is stopping our facto ries and throwing our people out of em-

Talking to Suit Conditions.

There is a disposition on the part of the present state of things upon "unsholesome" laws rather than publ alarm and distrust over the threats of conomic revolution and the return of the Demograts to full power. Repubicans during the campaign, and years turn of the Democrate to power, with their free trade threats, would at once cripple our industries and throw our people out of simployment. On the contrary Democratic statesmen predicted that a return of the Democrate to power neant an ammediate husiness boom and renewed prosperity This they conended bad set in as soon as the result elatained that contention until nearly million dinner pails had been laid away useless. But since it has become impossible to maintain this falsehood longer they have changed their taction and are now charging all our trouble to laws made by Republicans. Bere is a sample of the former claim made as lat as April 1893, taken from that number of

the Chicago Free Trader: Business Booming—More Work and Higher Wayes Since the Election— Contrary to the Predictions of the Protectionness the Country has Not Started on the Toboggan Stide.

Since election the protectionists have turned about face and are doing some howling on their own account, or at least have begun to tune up their howler instruments, for up to date, by some singular freak of fortune or mistoriume, there has been cutside of the wage redactions in the nearly betton industry and

gular freak of fortune or mistertune, there has been cutante of the wage reductions in the pear button industry and the constron of that other great MrKindley protege, the tim mining industry, nothing to how about. Instead of the protected industries getting ready to start 'to destruction on a toboggen side," as some of the protectionists still promise, the most of our important industries are not only prosperous just now, but are looking ahead, under the promise of free raw materials, to even greater prosperity.

The manufacturers of cotton and woolan goods have been so unusually binsy since the country fully decided to good the dogs that wages have advanted from 5 to 10 per cent. In the cotton industry, and the price of wool has gone approved cents per pound. The iron and the free traders should get control of the government and distributed the supply of the pap to this wedgoing intant. The enlargements and improvements move courring in this industry in anticipation of free ores and an enlarged demand for finished products are sufficient to give the blues to this second crop of calamitylies. Here are a few of the latest of these tantalia-ing items:

Hammita Free Trader proceeds to

Hare the Free Trader proceeds to salargement of a let-at manufactorie and an increase of wages, mentioning all the Carnegie Steel company's works, the works and many other mills, half of which have, since, either closed their

works or reduced wages from 10 to 80 per cent. It closes by saying;

Many other mills are enlarging, and others that have been closed are etarting up. The pig true trade is up excellent condition, and the wrongst tree pigs will have orders shead for fix or sight mouths. In some other lines orders have been received for more than a year shead, a most discouraging condition of affairs to nontemplate for the tariff editions on Mapublish papers whom hopes for promotion depend upon the familities on find with free trade mis.

With conten and from aithe alread and per sent. It closes by saying;

With cotton and from mills slosed, and no market for wook or from ora, and an my of men out of week and a gener o ingraction of the Proper Assess no entament to proved up presid

April, and they will be just as much mix aken as to the effect of a free trad

Utility of a Waz wish Blam Philadelphia Ledger: The Free ster do not make complete reparation for the murder of a French Inspector of Sative Militis, who was killed, according reports, while bedfast from iliness, the French fleet will blockede the Mekong river. Prance disavous any intention to nterfere with filamese independence, but will insut upon teasity rights, and the Interference of a third party will not be olerated." The French Chamber, by a nazimous vote, has expressed confident in the government. A little sannonading at Bangkok would divert the attention of the French from home politics, and the government to doubtless pleased

A PROUD COUPLE dehip of a Cat and a Dog-Tet The Human beings are not the sole pos-masors of anomalous characteristics. X

loss of 3,000. At the same ratio for each congressional district thus would mean a loss of 1,038,000 voice to the Democratic in the entire country, at the present in the entire to an old-fashioned farm house, where I once happened to put to, were a cat and dog which evinced the most extraordinary friendship for one another and were acidom seen apart, and yet, despite this fast, any attention shown to the one would cause aft of jealousy in the other most difficulties, the latter's reply was: "In response to the words of the distinguished excentive of the state, I can only say that to the best of my ability I will established to the country of the state, I can only say that to the best of my ability I will established to the country of the state, I can only say that to the best of my ability I will established to the country of the state, I can only say that to the best of my ability I will established. corner in a most ammistationer of the sulks if puss happened to come in for any favor withheld from him. Be it understood that this only occurred when the distinction was made in favor of one by a member of the household. Anything of the kind from a stranger seemed to excite no feeling of jealousy

The est one day became the proud mother of three kittens, the birth take ing place in an out-house where wood for the fires was stored. I shall never forget the scene that was enacted that day. We were sitting in the parior towards dusk when in came the dog, a large retrieves, hearing one of the little creatures glagerly in his mouth, being closely attended by the clated mother. The pair walked straight up to the mistreas of the house and the dog deposited his burden at her feet. After a large walking are touches to its gether. Presently they returned with a second, and later with a third kitten, behaving exactly as before, only that when the tally was all told the ca

in the little comedy petted to their hearts' centent, the happy family left for portation. Every day regularly the same thing occurred until the little ones became too big to approve of such sur became too big to approve of such such mary methods of removal, and when the dog, which evidently considered that he had a proprietary interest in them, would attempt to carry them off, he sometimes got an unexpected rebuff in the shape of a severe scratch in the nose, which disconcerted him percepti-

bly.

Alas and alacki a sad accident befell
poor passy one day. She was kicked by
one of the cart horses and run over by seeding it, have told the people that a the wagon which he was drawing, and so had to be buried by one of the boys belonging to the house. The dog watched the proceedings with palpable grief, and it was evident that he sorely missed his old playmate. Many a time he might have been seen nosing around pussy's grave. I don't undertake to say that he died of grief, as I had left the bouse long before the end came, but he certainly never was the same after the cat's tragle end. Some months of the election was known and they after he fell into a distemper and gave up the ghost. The mutual affection of these animals was of an extreme nature, and yet neither one could bear to se any preference shown to the other.—St.

> ROOT AND BRANCH. however it may have come or whatever shape it may be taking, is cleared away by Dr. Pierce's Golden Medical Discovery. It's a remedy that rouses every organ into healthful action, purifies and en-riches the blood, and through it cleanses and

invigorates the whole system. Salt-rheum, Tetter, Eczema, Erysipelas, Boils, Carbuncles, Enlarged Glands, and the worst Scrofulous Sores and Swellings, are perfectly and per-manently cored by it.

Unlike the ordinary
Spring medicines or sar-saparillas, the "Discov-

ery" works equally well at all seasons. All the year round and in all cases, it is quaranteed as no other blood med cine is. If it ever fail to benefit or cure, you have your money back You pay only for the good you get.

Isn't it safe to say that no other

blood purifier can be "just as good?" If it were, wouldn't it be sold so?

By its mild, soothing, clean and healing properties, Dr. Sage Catarrh Remedy perfectly and per manently cures Catarrh in the Head

WOMEN AT GAMBLING TABLES. They Are Mure Numerous Than Me 1 ot the

A brisi glance at the crowds assem-ded round the seductive green tables kere, numerically, in excess of m Yot, strange and paradoxical as it may appear, considering that this is a rage of locomotive facilities, and the emandipation of women, whereby they can ocial ostracism it would once wentuated in the female gambier i Whether the ever-growing outlets i the energies at home and the means of acquiring wealth, independent of a hus-

acquiring weath, maspendent of these band's support, are more within their grasp, and are helping to fill a vold, and to divert the current of their pow-era into healthier channels by bestowg the pleasurable excitation of money the gaming table, which was once the great resource, time alone can prove. But at the present moment, even allowing for these creeping changes, women still predominate. Where their younger sisters are seeking and finding platforms at home, on which they can stand on an equality with their b er workers, the older ones, women who have outlived the warm emotions of youth, the feverish ties of womanhood and the ambitions which have crum-bled into dust, still sit or hover round hled into dust, shift st or nover round these garish centers of attraction where they, too, are on even groun-with the other sex, having the same and and aim, securing the same law. For every sweep of the croupler "rateau" deals the same unerling measure, the same alternations of momentar ure, the same atternations or momentary triumph or more lingering heart burn ing. Women play with greater con centration and more solid patience than men. When losing they become obstinate, when winning they do not so quickly lose self-control or undo any

In most of the serious affairs of hif hem to a good purpose even here. As, in the outer world they can bear per-sonal discussions and antagonistic debates more calmly than men, by the same token they can here look more dissame token they can here took much the passionately on the chances of regaining their losses, or regard the painful alternative with greater composure, although they may not have so much command exteriorly, or hide their command exteriorly, or has their in-ward perturbation so perfectly as men, who can play on, smiling, to the last east of the die, while they finger the pocket pistol which in a few moments will end all Mon play for higher stakes, and the raging fover which pride makes them hide causes which pride makes them hide caus them to play quickly The agony of suspense is not so long drawn out as with women, who, hour after hour, cirmate round the tables, oblivious of time, while health, looks, meals, physical and mental fatigue, all are held in subjection by the one overwhelming vortex of interest

""Pis woman's whole existence!" is true in this as in other human idolstries. It is a soul-absorbing pursuit and becomes a tyrant from which they cannot escape, and yet its end is not so often disastrous to life with them as with their brother players. Rare in-deed it is to hear of an occurrence such as thrilled even the well-seasoned callousness of Monte Carlo the other day when a young American lady, having lost an immense fortune, deliberately took her own life. To some extent gambling is grafted in every heart, but it is opportunity, Satan's stanch ally, that first calls it into life, and this feel-magnetical like Agron's rod, it ing once permitted, like Aaron's rod, it swallows up all others, obliterates all sense of anxiety and distress of mind, and elevates the heart into a state of

expectancy and transient delight. Want and necessity have nothing to lo with it. Women who are placed above the shadow of pecuniury care, to whom large amounts are easily avail-able, prefer to obtain them through the ath of excitement rather than with he cold and spiritless ease of gifts, and his is the keynote of its far tension of nerves is created, attainable in no other way. Once under its influ-ence the vice is omnipotent. The heart may suffer dull pain, the binn may grow torpid by sheer exhaustion of citement, still it gains force, even eer exhaustion of exthe strongest natures, strong for good or evil, stubborn or salf-confident, until the last ray of hone is autical. the last ray of hope is extinguished, the last resource exhausted, and they nust accept defeat with what grace

they may. Then only do they begin to realize not mere shining counters, and the notes which are gone forever had not been meant for waste paper. The glamor is past, the false lights have lost their delusive brilliancy, daylight enters their understanding, and their foolishness is made clear. They can say with Dryden

Trust on! And think to morrow will repay? To morrow's falser than the former day! Then comes the test of a woman' Then comes the test or a woman s character! She has passed through the fire and her wings are scorehed. She sees herself in all her feebleness, but while life lasts two roads are still open

She may step on her mortal vice and rise to nobler things, or sink to that so cial perdition from which there is no recell.—Pittsburgh Dispatch.

A sure Remedy.

Mrs. Jones—William, I read an advertisement in one of the papers stating that for a dollar in stamps the advertiser would send by return mail a sure way to get rid of rats in the house.

WHY HAM WAS CURSED.

tre Wried to Work Off Antedity The ark had been out of sight of land little over three months. It was get ting monotonous "How does she head?" said Nosh to Shem, who had

lest come off watch. "All right," said Noah as he shifted his quid and resumed his examination "This ought to be a good day for fish ing." said Japhet. "If I only had some

"Speaking of bait," interrupted Ham "Speaking of batt," interrupted tham,
"reminds me of the colored man who
was fishing off the dock alongside a
small colored boy when the boy fell
overboard. The colored man.—"

"No; I don't remember."
"Well, his defense was that Abel had tried to ring in that old story on him. And the jury returned a verdict of justifiable homicide." Ham felt the rebuke. There was an awkward pause. Presently there was a disturbance in the cattle depart-

ing trouble," said Ham. "And speak-ing of bulls reminds me of a friend of mine who undertook to tame a bull. He tied a rope round his waist-

ng up from the chart, "that you're a ind of an ass."
"Ha! ha!" said Ham, good-naturedly, laughing at his own expense. But that reminds me of what a man down in Mesopotamia said to a fellow who was bragging about his mule. He

"Never mind what he said," inter-upted Shem. "We know all about the de and the buzzards and the whol business. Methuselah used to play marbles in his youth with the man who made the remark about the buzzards and he told the story twice a week for

%0 years."

"Well," said Ham, "I think this ather rough on a man who is doing as well as he can. I don't pretend that here stories are new, but we've been nimals, I thought they might sort of enliven us.

"There's where you make a bleeding error," said Japhet, "these stories are so stale they need disinfectants. They are lable to breed disease and get us Silence ensued for some time. At

length Shem said. "To-morrow being Friday, I suppose we shall have fish for breakfast." "Speaking of fish," said Ham, "reminds me of a farmer friend of mine who went to a hotel on his wedding tour and struck a codfish cake___"

"Merciful heavens!" cried Nosh, rising to his feet; "have we got to liste to these chestnuts all night? The man who found something dead in the bread was the prehistoric man himself. Adam ound the story written in hieroglyphic if you don't shut up I'll throw you out of the window!"

of the window!"

Ham was angry, but he took the hint. Weeks afterwards, as the family were going ashore at Ararat, Noah said: "Ham, where are you going to locate?"

Raising his hand solemuly, Ham answerd. "I am going to North America, and I shall tell those four stories to remarked; the will like to the sole to the said. mehody who will listen to them if I have to wait five thousand years."

Sure enough, Ham came up from Georgia and told those stories in Tam many hall Thursday night. always been some doubt in theologics circles what Noah "cussed" Ham for If he told the stories in the ark that he did in Tammany hall the mystery solved —N Y. Tribune.

A Letter 65 Years Old.

Rev. Thomas W. Haynes of Bond county, has in his possession a letter written by William F. Duval, while he was gov-rnor of Florida in 1828, the letter hainer dated Jone 28 1828, and addresped to Mr. Haynes' father, William R. Haynes, at Beardstown, Kr. The letter m fairly well preserved and shows the methods of the postal eratem at that time, it being simply folded, addressed upon the back and a small seal being its only protection from the eyes of the postal anthorities. Mr. Haynes will present the letter to the Historical Society of Blackburn University at Carlinville, which has letters written by Henry Clay and J. Quincy Adams to Mr. Haynes while he was a very joung man. Mr.

Buyel was appointed governor of Flor-ide by President Jacques.

scarnet a new trial in the William Newby pension fraud case will not be heard by triet court at Springfield until August

14th. This is by agreement of the court and attorneys. Both sides want a rest offices on the poor man's vote.

and time to work up their side of the case. An attorney for Newby stated selfabries. So, you see, they never try to direct that he believed that a new trial would he created but athermine would were at the created but athermine would were at the created but athermine would were at the created but be granted but otherwise would make no men, but against them.

statements regarding the matter.

The written motion urges that a new trial be granted on the ground that the ernment our Demouratic brethren baven instructions of the court to the jury were learned to do that. oloded which should have been allowed to go before the jury; and because the jury was subject to outside influence.

Cutting. Down Expenses. Retranshment is now the battle cry the many western railroad managers. smaller than was expected. If some of the railroads had not been so avarision the World's Fair, they would not find it necessary to make retrenchments in and Bossie Heagler, of Chicago, are visitie order to meet expenses. By insisting with Mr. and Mrs. Frank Part. order to meet expenses. By insusing upon prohibition rates they have inflicted great injury upon themselves and now find themselves in a position where that did Mr. Shastif. The general managers of the roads run. ning west from Chacago held a meeting drafts of very cold water. With some in the Rookery yesterday and considered measures for cutting down expenses all branches of the service.
